Laboratory grade & Analytical Grade :

“Discover our LR & AR Grade laboratory chemicals —
crafted for accuracy, reliability, and everyday
research.”

HPLC grade / GC Grade / LCMS Grade :

“For HPLC, GC, and LCMS, our high-purity solvents
ensure precision, consistency, and interference-free
results.”

Imported Range & ICP Solvents

“Ultra-low metal impurities, maximum accuracy — our ICP
& Trace Metal Grade solvents are engineered for reliable
elemental and trace analysis.”

Life Science chemicals :

“Explore our Life Science chemicals — optimized for accuracy,
reliability, and consistent performance across molecular biology,
biochemistry, and cell culture applications.”
